“ *It was my honor to come celebrate the life of the best brother in law one could ask for. Sonny had so many good qualities. He was intelligent with so much wisdom. Through the years I always sought his advice on matters that were important. He just had so much common sense. I valued his opinion.*

He never changed he was always a man of integrity. He took great care of my sister. Always putting her on a pedestal. One of my favorite memories is he was so fun loving. We were always making each other laugh. One day joking I called him Pops and it stuck.

More than anything Sonny was a man who loved and honored the Lord from as long as I could remember. It always encouraged me in my faith. Sonny was fearless in death because of his strong belief in the Gospel of Jesus.

Philippians 1:21 For me, to live is Christ and to die is gain.

Ecclesiastic 7:1 Better is the day of death than ones birth.

Billy Graham: If your born once you'll die twice. If your born twice you'll die once.

I have peace that Sonny is with our King in heaven. He was a rock and treasure to our family. His memory and kindness will never be forgotten.
