“ We are saddened to hear of the passing of such an energetic and passionate man, husband, father, grand and great grandfather (that legacy says it all). We knew of Bill through our sister-in-law Kim Marshall.

The stories we heard about him from Kim always made us laugh and left us stupefied and inspired. (We know where Janice got her spunk.) He sounded like a real Texas "go-get-her-done" kind of guy. The Marshall family of Oklahoma extends our sympathies and condolences to Pasty Ruth & Janice and to the entire family for their loss.
