“ We have known the Clarence and Nelda for many years and made it a point to always go find them and say hi at the rod runs and NSRA events and see which one of their many beautiful cars they were driving that weekend. Both of them will be truly missed.

“ A fond memory of Mr. Evett was maybe about a year ago he came in Brookshire's and I was on my way to the back and he was looking at lawn chairs on top of the coolers and I asked if he needed help and he told me that he wanted to sit in one to see how comfortable it was, so I got a chair down for him and he sat in it and then he couldn't get up, I then had to get a co-worker to come help me pull him up out of the chair, he was a little embarrassed and needless to say he didn't buy that chair. Bless his heart, he had to be one of the absolute sweetest men I have ever known. He will be missed, it was always a joy to answer the phone in the pharmacy and have Mr. Evett on the other end!!! Such a gentleman. Thoughts and Prayers for the family! Rest in peace Mr. Evett (he always would say call me Clarence) but i never could.

“ Clarence and Nelda were very dear people and the world was a much better place for them being here and a much sadder place for them being gone, but certainly not forgotten.
I will always remember him stopping by the pharmacy to visit on "hair day" while waiting on his beautiful lady. And visiting with him across the fence at our house while he filled his truck with fuel, when I was a young child. Thanks for the memories Clarence. God bless you.
