“ So sorry for your loss. I am a cousin on the Hancock side. I haven't seen you or Donnie in many, many years. When Happy Days came on tv and I got to know the characters, when I saw Fonzi, I always thought of Donnie. That's who he was to me. He was 9 years older than me and the cool, motorcycle riding cousin. He used to come over to our house and would usually take us on a short ride on his motorcycle. Very fond memories.
