“ Mrs. Dent held a special spot in my heart. I have been with Meals on Wheels for a while and she was one of my favorite person. I always enjoyed being able to have a conversation and laughter with her. She was a very delightful lady who always had a hug and a smile for me. One of my favorite memory of her was when I had to take pictures of her and I told her to "model" for me and she started swishing her hair then turned and had the best smile ever and I was so blessed to have captured that. I am so thankful that she was my friend. I will miss this special lady. Thank you my friend.
