“ Ken was a great man and good friend of mine, I am really going to miss him. I had the pleasure of fishing with Ken this year and had many more trips planned. He was my new "fishing buddy" and we had some memorable trips on Lake Palestine. Ken always had great stories and boy, did he love to fish. RIP Ken, I know you and Uncle Larry are "ripping some lips"
May God bless you Cliff & Delores.

“ Uncle Ken was a great man with a heart of gold and a funny sense of humor. I love him very much and know he's in Heaven with Aunt Polly and his Parents now. Pretty sure he's already hunting and fishing with Aunt Polly. I wonder if he sees that Hootypucker bird? You will be missed by us left behind but we will see you again one day. Uncle Cliff and Aunt Delores God Bless y'all.

“ It has been a pleasure to have Ken in our lives these past few years after his move to be closer to his brother Cliff. That move also made him closer to us. He and James enjoyed many fishing trips together and many fishing stories. His fishing and hurting stories were always very entertaining. We loved him very much and he will be greatly missed. Our love goes out to Cliff and Dolores during this difficult time. I know that Ken has been reunited with his love, Polly. I thank God that he didn't have to suffer for an extended time. Love James and Jenell
