“ My mom was a flawed person. But I know she loved me, and all her children, the best way she knew how. I will miss her forever.

“ Patricia, that is a beautiful statement and im glad you know it. Our Mom was OCD with anxiety disorder- she was - uh, i dont have a word for it! Imore had been known about anxiety and depression, some lives would have been different. We chose to work-around, love and help her all we could. She resisted. See, she wasnt this way because she WANTED to be, if given a choice. Lady Jane left this earth with 4 of her kids, plus me- at her feet knowing she loved us, Every One! God Bless your grief and your love.
