“ When I was a tween, I had a crush on some boy, I don't remember who. We went to the movies and had a good time. I found out that the next night he took out another girl. I was so sad. I was sitting on my bed alone, crying. My sweet little brother came in and sat beside me. He didn't say a word. He just put his little hand on my knee. I will forever miss you, Tommy. You're loving sister, Debbie.
