Wayne was born March 20, 1925 in Pleasant Valley, May area to Earl and Lela Falls. Wayne grew up in the Blanket community and made his home in Brownwood. Most people knew Wayne as "Preacher man" or the "The walker man" as he was always walking or driving around smiling and waving at everyone. He always had a smile and could visit as long as you had time to talk. When Wayne was visiting with somebody, he was whistling. He loved to whistle as he walked the isles of the store shopping. Wayne loved talking about Jesus and would tell anyone who would listen about how wonderful his Lord is. He always said "a stranger is a friend you haven't met yet". Wayne loved horticulture, he loved working with God's plants and helping things to grow and look beautiful, working over 30 years at Davis Floral. Wayne married Vena Olene Bishop on November 7, 1958 and they spent a wonderful life together. Wayne and Vena never had any children so they were very close to all their nieces, nephews and friend's children.

Wayne is survived by his nephew, Marcus Newman of Bedford; niece, Carla Fratt of Conroe; and 10 other nieces and nephews. He had many friends that he loved like family, Michael and Lorie McWhirter, Bobby and Tina Crouch, Michael and Kimberly Diaz, Nell Hicks all of Brownwood.

Wayne was preceded in death by his beloved wife, Vena Olene Falls; brothers, Jack Falls and Zachary Falls; sister, Margaret Newman.

“ I have met no other man that has made as much of an impact on my life as this man! I know no one is perfect but he is the closest thing to a perfect person that I have seen on this earth! He will be truly missed! he was a man of whom this world is not worthy of because he was truly an angel. I can think of no better example of what it means to be christ like than live the life that wayne lived, he was a witness to Jesus anywhere and everywhere he went! I will strive to see Jesus because I know that is where he will be! In the words of brother Wayne Falls " I am not looking to myself, I am not looking to anyone here upon this present earth, I am looking to JESUS! The author and finisher of my faith" I know he has to have one of the biggest mansions in heaven because he sure put his work in while he was on this earth! And now is walking on streets of gold with no more pain sorrow or loneliness. God Bless you brother Falls! because he sure blessed me when he put you in my life, I will never forget you as long as I live! I love you and I will see you again on that glorious day! I love you...

“ Wayne was the absolute definition of a Christian the true salt of the earth and never lost his flavor. He lived the standard that if you have nothing nice to say, say nothing at all never letting a negative word slip past his lips. He was truly about his father's business obeying his duties as a Christian and spreading the good news of the gospel to anyone anywhere.
